

- Open Internet Explorer, and go to the course web page (<http://acunix.wheatoncollege.edu/tratliff>)
- Click on the link for Waterloo Maple's Student Center
- Click on Quick Links – Maple Tutorials – Maple Essentials Tutorial
- Download the Maple worksheet for Section 1 by clicking on the button at the far right.
Maple should start automatically and load this worksheet.
- You should work through the sections in the following order:
1, 3, 5, 2, 4, 6, Practice Problems
Whatever you don't finish in class today, be sure to finish on your own later.
