

Elections in the Knesset in Israel

1. Go to the Wikipedia page for Elections in Israel
https://en.wikipedia.org/wiki/Elections_in_Israel
2. Follow the link to for the 2020 Knesset election and recreate the allocation of seats to the parties using Jefferson's Method
3. Try to do the same thing for the 2021 Knesset election
4. Review the explanation at
<https://m.knesset.gov.il/en/about/lexicon/pages/seats.aspx>
and apply it to the 2021 Election
